

Congress hall Mura

In the exceptional ambient of the Spa Golfer Hotel, you are offered the unique services of a top world congress tourism destination. The attractive and air-conditioned space of the 'Mura' conference hall with its size and airiness is suitable for events for up to 500 people.

The set up of the exhibition halls can be customised to suit the vision of the client, and there is even the option of dividing the hall into 3 soundproof sections. Projectors, cameras, microphones, wireless Internet and a number of other technical elements are at your disposal for successful business meetings.

The modern system allows easy management of all areas of the conference hall, while in the lobby, coffee breaks can be organised as required.

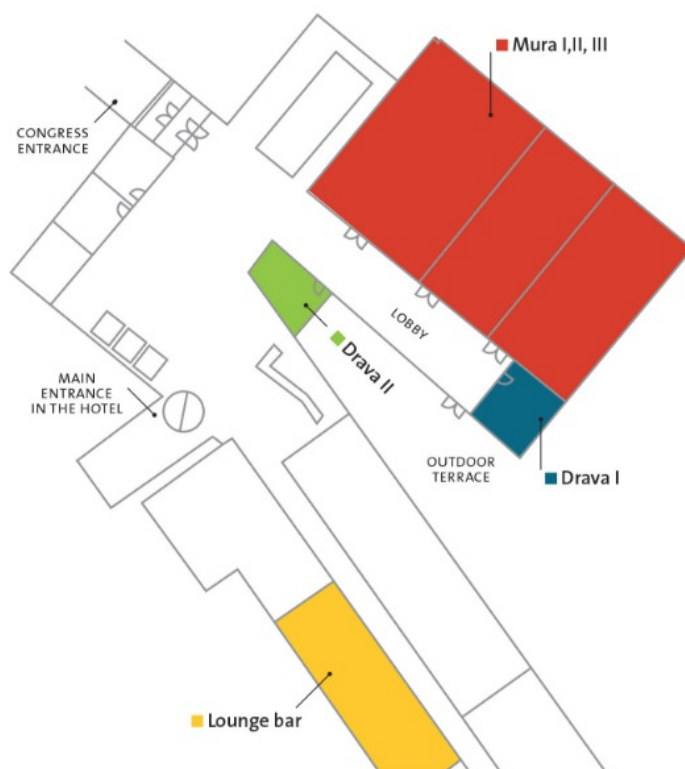

Congress hall Drava

Congress options for smaller business meetings complete the range of congressional services at Hotel Spa Golfer. The smaller multifunctional halls: Draval and Dravall are equipped with modern technology and are an ideal venue for exclusive meetings or workshops.

Up to 20 people can gather in an atmosphere of privacy. Imbued with simplicity and freshness, these halls create the medium for constructive business solutions and professional inspiration.

Lounge bar

In the picturesque atmosphere of the hotel's lounge bar, equipped with fully collapsible walls, you can organize smaller exhibitions or business conferences. Because of its convenience and views over the greencountryside, it provides the backdrop for a perfect business moment for 60 people.
